## Tactical Lifesaver (TLS) Training January 18 - 20, 2017

The Auburn Police Department is presenting a 3-day Tactical Lifesaver Course. This course will be instructed by Front Range Training & Consulting, LLC.

**Location:**

Auburn Police Dept  
1131 West Auburn Dr  
Auburn, IN 46706

**Local Contact:**

Chief Martin McCoy  
(260) 920-3200 Ext 1901  
[mdmccoy@ci.auburn.in.us](mailto:mdmccoy@ci.auburn.in.us)

**Tactical Lifesaver:** This three day course is designed to teach Law Enforcement Officers the medical skills necessary for emergency self-care and buddy-care when EMS isn't immediately available. The skills learned in this course can also be directly applied to humanitarian aid of victims in violent crisis sites, like in an Active Shooter event. The course is modeled after the military Combat Life Saver (CLS), but applies Law Enforcement requirements and circumstances to teach the LEO how to apply life-saving medicine in emergency environments. This course is a must have for officers involved in SWAT, High Risk Warrant Service, and Rural Operations and will greatly enhance operational confidence in every day police missions. **Tuition for this course is \$600 per student.**
