

Support Local Law Enforcement

The Auburn Police Department is seeking the public's help to raise funds for the purpose of improving their current firearms training facility. Project plans include a new multi-use training building as well as improvements to the outdoor firearms training area.

The current facility, built in 1985 through donations and local labor, is currently utilized by more than 15 Local, State, and Federal, Law Enforcement Agencies and is one of only a few outdoor firearm facilities in Northern Indiana. Over the last 25 years the current facility has become outdated and too small to accommodate current manpower and training needs.

You can show your support of Law Enforcement and this project by purchasing a sponsor tile which will be displayed on an interior wall at the new training facility. Your support will help to insure quality training for local and regional Law Enforcement for years to come.

improvement of the training facility
and training grounds

**ORDER FORM
ON BACK**

Not interested in sponsoring a tile but would like to make a donation?

You can do so on the order form. All donations will be accepted and appreciated.

Donations over \$500.00 need not order a tile as they will receive special recognition at the facility.
